

CARAVAN (male)

Night and stars above that shine so bright
The mystery of the fading light
that shines upon our caravan

shines on caravan

Sleep_____ upon your shoulder as we
that shines upon our caravan

Creep_____ Across the sands so I may
upon your shoulder as we creep

Keep_____ The mem'ry of our caravan
across the sands so I may keep

shines on caravan

This is so exciting You are so inviting
Resting in my arms As I thrill to a magic charms

of you

thru the desert over the sand

Beside me here beneath the blue

thru the desert over the sand

My dream of love is coming true

thru the desert over the sand

Within our desert caravan

Night, night, night, **night**

And stars above that shine so

Bright, bright, bright, **bright**

The mystery of the fading

Light, light, light, **light**

That shines upon our caravan

that shines upon our caravan

Sleep, sleep, sleep, **sleep**

Upon your shoulder as we

Creep, creep, creep, **creep**

Across the sands so I may

Keep, keep, keep, **keep**

The mem'ry of our caravan

The mem'ry of our caravan

This is so exciting You are so inviting
Resting in my arms As I thrill to a magic harms

of

you, you, you, Beside me here beneath the
thru the desert over the sand

blue, blue, blue My dream of love is coming
thru the desert over the sand

true, true, true

thru the desert over the sand

Within our desert caravan_____

Within our desert caravan_____

Within our de-sert ca-ra-van_____
