

## Get Out And Get Under The Moon

4/2

- A When you're all alone Any old night  
And you're feeling out of tune  
Pick up your hat *close up your flat*  
Get out and get under the moon  
Under-neath the bright Silvery light  
You'll be feeling better soon  
Pick up your hat *close up your flat*  
Get out and get under the moon
- B Look, look, look at the stars above  
Look, look, look at those sweeties love  
Oh Boy! Give me a night in June  
I really mean it
- A' All you got to do Any old night  
When you're feeling out of tune  
Pick up your hat *close up your flat*  
Get out and get under the moon

## Verse

What d' ya do in the evening  
When you don't know what to do

Read a book? Play a game?  
Ev'ry night it's just the same.

What d' ya say if I tell you  
How to keep from feeling blue

My advise is good to take  
And it's easier to do
