

Get Out And Get Under The Moon

When you're all alone Any old night

And you're feeling out of tune
Pick up your hat
(Close up your flat)

Get out and get under the moon

Under-neath-the bright/ Silvery light

You'll-be- feeling/ better soon
Pick up your hat
(Close up your flat)

Get out and get/ under the moon

Look, look, look at the stars above

Look, look, look at those sweeties love

Oh Boy! Give-me a night in June--->

I really/ mean it

All you got to do Any old night

When you're feeling out of tune

Pick up your hat
(Close up your flat)

Get out and get under the moon

<Verse:>

「What d'ya do in the evening
When you don't know what to do
Read a book? Play a game?
Ev'ry night it's just the same.」

「What d'ya say if I tell you
There's a way to keep from feeling blue」

My advice is good to take
AND it's easier to do

What d'ya do in the evening
When you don't know what to do
Read a book? Play a game?
Ev'ry night it's just the same.

What d'ya say if I tell you
There's a way to keep from feeling blue
(Low pert)
My advice is good to take
And it's easier to do

(ただひとり寂しくて 悲しい時には)
